

REMARKS

Claims 1-14 are currently active.

The Examiner has rejected Claims 1-14 under the judicially created doctrine of obviousness-type double patenting. A double patenting terminal disclaimer is enclosed to obviate this rejection.

In view of the foregoing remarks, it is respectfully requested that the outstanding rejections and objections to this application be reconsidered and withdrawn, and Claims 1-14, now in this application be allowed.

Respectfully submitted,

IRWIN KOTOVSKY
